Mathematics for Science Quiz September 2026
Jungwoo Kim
A comprehensive mathematics handbook for the Science Quiz at the POSTECH-KAIST Science War, spanning secondary-school through advanced university mathematics. Emphasizing important results, memorable formulas, mathematical history, interesting facts and connections, and rapid mathematical intuition, it complements *Mathematics for Competitions* by focusing on broad and readily applicable mathematical knowledge.

Mathematics for Competitions (In Preparation)
Jungwoo Kim
A companion to *Mathematics for Science Quiz* for middle- and high-school olympiads and undergraduate competitions. It brings together competition-relevant concepts, theorems, methods of proof, and problem-solving strategies, emphasizing rigorous mathematical reasoning and creative approaches to difficult problems.
