Education

Pohang University of Science and Technology (POSTECH)

Expected Feb. 20XX

B.S. in Mathematics

[Add only genuinely useful details: GPA, scholarship, thesis, minor, etc.]

Research Interests

[List 1–4 concise research areas only, e.g. Number Theory, Algebra, Arithmetic Geometry.]

Research Experience

Undergraduate Researcher, Department of Mathematics

20XX–20XX

Pohang University of Science and Technology (POSTECH)

Advisor: *[Professor Name]*. Research topic: *[Project title or topic]*.

- *[One concise line on what you studied, proved, computed, or investigated.]*
- *[Optional second line only if it adds mathematical substance.]*

Publications & Preprints

[Title of paper or preprint]

[Author list. Journal / status / arXiv information.]

Honors & Awards

[Name of award, scholarship, or distinction]

20XX

[Institution or organization]

Talks & Presentations

[Title of talk or presentation]

20XX

[Seminar / conference / symposium name]

[Institution or location]

Academic Programs

[Name of program / summer school / REU / workshop]

20XX

[Host institution]

[Brief detail only if it clarifies selection, research, or role.]

Teaching & Mentoring

[Role: Tutor / TA / Mentor / Problem Session Instructor]

20XX–20XX

[Course, program, or activity]

[Institution]

- *[Add one brief line only if it clarifies the academic role.]*

Service & Outreach

[Organizer / Reviewer / Committee / Outreach Role]

20XX–20XX

[Seminar, conference, society, or project]

[Institution or organization]

Selected Coursework

[List only advanced or especially relevant courses, separated by commas.]

Technical Skills

[Examples: LaTeX; C++; Python; SageMath; Mathematica. Include only if genuinely useful.]
