

Jungwoo Kim

Department of Mathematics, Pohang University of Science and Technology (POSTECH)

Seoul · Pohang, Republic of Korea

jkpxt14@postech.ac.kr, <https://github.com/jkpxT14>

Education

Pohang University of Science and Technology (POSTECH)

B.S. in Mathematics & Computer Science and Engineering (Double Major)

[Expected graduation, GPA/honors if genuinely useful, thesis only when relevant.]

February 2025–Present

Pohang, Republic of Korea

[Exchange / Visiting University]

Exchange Student

[Department / program, if useful]

[Semester / Year]

[City, Country]

[Optional one-line academic focus; omit when unnecessary.]

Research Interests

[Number Theory; Algebra; Arithmetic Geometry; other genuine research interests.]

Research Experience

Undergraduate Researcher, Department of Mathematics

Pohang University of Science and Technology (POSTECH)

20XX–20XX

Pohang, Republic of Korea

Advisor: [Professor Name]. Topic: [Project / research topic].

- [One concise line stating what you studied, proved, computed, or investigated.]
- [Optional second line only when it adds genuine mathematical substance.]

Publications & Preprints

[1]

[Title of research paper or preprint]

[Author list]

[Journal / proceedings / accepted / submitted / arXiv identifier, year.]

Books & Expository Works

[Title of book, handbook, lecture notes, or expository work]

20XX

Jungwoo Kim. [Book / Handbook / Lecture Notes / Expository Notes; publisher or edition if applicable.]

[Optional URL or one concise note on scope/status.]

Honors & Awards

[Mathematics competition / olympiad / academic award]

20XX

[Prize, rank, division, organizer, or brief qualifier as applicable.]

[Scholarship / fellowship / academic distinction]

20XX–20XX

[Awarding institution and concise qualifier only when useful.]

Talks & Presentations

[Title of talk or presentation]

20XX

[Seminar / conference / symposium / program]

[Institution or location]

Academic Activities

[University representative / selective academic program / summer school / REU]

20XX

[Role, event or host institution, and one concise academically relevant detail.]

Teaching & Mentoring

[Teaching Assistant / Mentor / Tutor / Instructor]

20XX

[Course or mentoring program], [institution]

[Optional one-line description of responsibility or audience.]

Academic Service

[Academic service role]

20XX

[Seminar / competition / workshop / department and concise responsibility.]

Selected Activities & Projects

[Organization / selected activity]

20XX–20XX

[Role or position.]

[One concise line describing the activity or responsibility.]

[Selected project / system]

20XX–Present

[Designer / Developer / Project Lead, as appropriate.]

[One concise line describing what you built and what it does.]

Languages & Technical Skills

Languages: *[Korean (native); English (state proficiency factually if useful).]*

Programming: *[C++; Python; other languages genuinely used.]*

Tools: *[LaTeX; SageMath; Mathematica; other research-relevant tools.]*
